## ENERGY INSTITUTE MEETING:

Energy Talent Development Best MSc Project Competition, Tuesday 8th December, The Marcliffe at Pitfodels, Aberdeen, 18.30-20.30.

Prize Sponsored by Optima Solutions UK

### ENERGY TALENT DEVELOPMENT

In association with ITF, SPE and the Energy Institute, the winners of the Energy Talent Development Best MSc Project Competition will be announced at the forthcoming Energy Institute meeting.

The event, to be chaired by Jeremy Cresswell, will recognise the achievements of students from the University of Aberdeen and The Robert Gordon University for successfully undertaking practical projects within the oil and gas industry. The evening will consist of six shortlisted students from both universities presenting their projects to the highly esteemed industry panel.

John Gallagher – VP Technical Shell  
Trevor Garlick – VP Renewal BP North Sea  
Roy Aspden – Asset Support Manager/Head of Decommissioning AMEC  
Mike Bowyer – Director Halliburton  
Jamie Oag – Managing Director Optima Solutions UK.

Energy Institute will be awarding £250 to each university, which is to be shared between the shortlisted students. Following the presentations, the judges will announce the final 3 winning students who will each receive an equal share of a further £500 sponsored by Optima.

### SHORTLISTED STUDENTS

#### University of Aberdeen

Ms Bernice Shobowale – MSc Energy Futures Oil & Gas  
Mr Bede Ani – MSc Subsea Engineering  
Mr Usman Abubakar – MSc Safety Engineering  
Mr Richard Lamond – MSc Energy Futures Renewables (unfortunately unable to attend the event but will receive a share of the Energy Institute prize fund)

#### The Robert Gordon University

Mr Adebayo Aremu – MSc Oil & Gas Engineering  
Mr Ademola Odunsi – MSc Oil & Gas Engineering  
Mr John Donaldson – MSc Drilling & Well Engineering

### WHO SHOULD ATTEND?

As always, the meeting includes a free hot buffet to which all members, non-members, guests, and friends are welcome. There will be a cash bar from 7.00pm onwards, and again after the presentation.

### WHAT IS ETD?

The Energy Talent Development (ETD) programme aims to call on the oil and gas industry to come forward with ideas for projects that offer students study at postgraduate level, the opportunity to provide solutions to a range of real-life industry issues.

### HOW TO REGISTER

Thank you for your interest in this event. To ensure we have an accurate idea of numbers in advance please use the following link to register:
